

Position Description

Position Title: Farm Hand	Date: July 2018
Reports to: Farm Manager	Location: Blanchetown SA
Department: Southern Cross Poultry Operations	Direct Reports:

Position Purpose

AAM Investment Group is an Australian owned and operated provider of investment, asset management and consultancy services. We structure, operate and manage investments across agriculture, rural and commercial property and regionally based infrastructure, drawing on the team’s knowledge and experience in these sectors to improve investment performance through operational and technological efficiencies and improved management.

The Farm Hand is responsible for assisting with the day to day operations of a poultry farm. The Farm Hand contributes to the poultry farm operations including livestock feeding, bird collection and placement, grounds maintenance, following company policies and procedures.

AAMIG is committed to providing a safe and healthy workplace for all staff, clients, and visitors to our facilities. All staff are required to contribute to and promote a continuous workplace health and safety culture.

Key Responsibilities

The Farm hand is responsible for providing assistance with:

- General Animal Husbandry including assisting to monitor growth rates against targets;
- Young stock management and preparation of culling lists, weight records;
- Feeding and watering of birds to meet their requirements;
- Irrigation program including monitoring and maintenance of irrigation equipment;
- Weed management and monitoring;
- Plant equipment and infrastructure maintenance activities including fencing, water reticulation, laneways, and drainage, stock handling facilities, shedding, feeding areas and equipment;
- Contribute to meeting Biosecurity, WH&S requirements.
- Other duties as directed by the Operations Manager, Assistant Operations Manager and/or Farm Manager.

Competencies and Skills

- Commitment to the understanding of animal welfare and safe work practices in poultry/farm environment
- Ability to undertake manual activities and meet the physical demands of poultry/farm environment
- Ability to take direction, follow policies and procedures and work well in a team as well as unsupervised
- Ability to communicate effectively
- Ability to co-ordinate multiple tasks simultaneously
